Profile

We are a Non-Profit organization situated in Eersterust Pretoria. We do social upliftment in the community focusing on the Youth. One of our key areas of development is targeting youths between 8th years to 21. Teaching our youth to play musical instruments.

First phase will start in Eersterust, Pretoria and we strive to expand to other surrounding communities as well. Our programs consist of cultural activities, building capacity and mentoring girls into change leaders in all fields of human endeavour. Giving back to the community is one of the best ways to contribute to good causes. Job losses impacts the sustainability of households in the community which impacts the children directly. We as Eersterust Bladines Brigade can alleviate this devastating effect through our activities. Our other activities will start in all earnest once more partnerships has been established with the Private sector. Programs we will be launching in the near future is.
